Bust out of your rut with new spa menus around town.

Smooth Things Over

Detox is usually synonymous with buzzkill. Erase unpleasant associations with Spa Radiance's Mineral Detox Boost. The 90-minute treatment includes a Hawaiian pink salt scrub (to replenish) and local, organic honey massage (to detoxify and exfoliate). After a steam and shower, lie back for an hour-long coconut oil rubdown.

Available at Spa Radiance, 3011 Fillmore Street, at Union Street (415-346-6281 or sparadiance.com), \$175.
